Concentration and Quality Control price list

All prices in SEK (service cost included).
Prices may change without notice.
Updated October 2019.

Concentration Control (NanoDrop)

	Price
Starting fee per project	500
Price per sample	20

Quality Control (High-throughput)

	Price
Starting fee per project (up to 96 samples)	500
Price per sample	30

Quality Control (Bioanalyzer)

	Price
Starting fee per project	500
RNA Nano chip (max 12 samples/chip)	860
RNA Pico chip (max 11 samples/chip)	860

Quality Control of FFPE DNA (QPCR)

	Price
Starting fee per project (up to 96 samples)	500
Price per sample	65
